

To The Citizens of Perry Township

Hello,

My name is Mark Thompson and I am running for Perry Township Constable. I am a life-long southsider and graduated from Manual High School in 1981. I am a strong family man and the proud father of two teenage boys. Family is important to me. I have a Bachelors Degree in Electronic Engineering Technology and I am also the successful owner of a forty five year old Bonding Agency business. My business has doubled in size in the last five years, servicing nearly 400 attorneys in and around Indianapolis. Service is the key to my success.

There are many people who do not know the responsibilities of the Constable. The Constable's two main responsibilities are to serve as the Bailiff for the Perry Township Small Claims Court and to ensure the safety and order in the Court. In addition, the Constable also serves Court orders to ensure all involved parties are properly notified of Court proceedings. By minimizing Court order delivery errors and reducing the costly rescheduling of proceedings, Perry Township taxpayers save money.

For the past five years I have been writing Criminal and Civil Court Bonds in the Marion County Superior Courts. I have served warrants and arrested fugitives in many parts of the country and have never lost track of a United States citizen. Process serving is all in a days work for me. Typically, I am serving criminal warrants and arresting fugitives who are in hiding and refuse to follow a Court's order. I am truly a qualified candidate for the office of Perry Township Constable.

As Perry Township Constable I will go above and beyond. I will not only serve the people, but I will bring back the Officer Friendly programs in our schools. I will set up a tutoring program for our children who need help. We have no other choice. Our children's success rests on our efforts. I will support other officials regardless of politics on any and all programs that are beneficial to Perry Township and our children. I will not support I-69 dividing Perry Township. I want to do my part in keeping Perry Township the best place to live and raise a family. Help me, help you!
